Act Two is seeking Production Interns for Spring Production of *Joseph*

Act Two is currently looking for students to serve in staff roles for our upcoming production of *Joseph and the Amazing Technicolor Dreamcoat*.

Part of our mission at Act Two is the "empowerment of youth" by providing leadership roles and involving students in aspects of the creative process other than those on stage. This can be a challenging and rewarding experience, as our staff interns help put together a show from the view of the production staff.

We are currently seeking candidates in the following positions:

Assistant Director
Assistant Music Director
Assistant Stage Manager
Assistant Choreographer

We are looking for students who have a passion for theatre and a willingness to stand in front of their peers in a leadership capacity. These students are not in the show, allowing them to focus their energy on their assigned task.

We are looking for independent and motivated high school or college students with experience in upper level (IB, AP, Advanced) acting/directing, dance or music classes, or comparable experience.

If interested, please email a resume and cover letter to Scott Selman at sselman@acttwo.org. Please include your thoughts on why you feel you are well suited for the position and what you hope to gain from the experience.

The deadline for interested parties is Wednesday, March 14th.

Thank you!
